Just hearing the word “summer” and realizing that this season has finally come, our fun and jam list has been full again. Whatever goal you choose to achieve, never forget that you have the power to make fun in the sun because not all has price some are surprisingly free

about the cover...

It's summer time!

It is the time to take a break from your stressful work or school stuffs. Certainly there are a variety of choices how to spend summer productively. You may choose a cool spot at the beach or enjoy the cold treats around like halo-halo or fruit shake. Should you want to save from the crazy expenses you may opt for a staycation. Summer is also the most fitting time to catch up with your old friends. Save a date to meet them and have fun under the sun. Summer time can also be a family time. You can relish your vacation by bonding with your family and relatives. You will be surprised how far your creativity can go to achieve the best summer of your life. However you may want to spend your summer, it is important that you enjoy what you are doing.

*Go ahead, choose your summer goal and give yourself a break.*

## NDMC hosts JPIPE Regional Convention

Melanie P. Talusan

With the theme: “Sports and Cultural Activities Eliminate Weaknesses, Develop Strengths.”, the Notre Dame of Midsayap College hosted the 2nd Junior Philippine Institute of Physical Educators Regional Convention last April 13-14, 2018. It was led by the BSED MAPEH major students of the College of Education. The participating schools of the said event were NDMC, University of Southern Mindanao, Cotabato Foundation College of Science and Technology-Arakan, Notre Dame University, and MAPEH/BPE alumni.

The convention featured different activities such as Socio-Academic which include Team Quiz Bowl; Larong Pinoy which include Kadang-kadang, Giant Slipper, Blind Volleyball, Native Basketball, and Obstacle Race; Socio-Cultural which include Novelty Dance, Vocal Duet, and Mr. and Ms. JPIPE 2018; Sports Racket Games which include Badminton and Lawn Tennis and lastly, Ball Games which include Basketball and Volleyball. The convention also included the election of the JPIPE officers for the next school year.

The highlight activity was the search for Mr. and Ms. JPIPE 2018. Nereo Paul Testado, BPE-SWM 2nd year and Kristal Pearl R. Antolin, BPE-SPE 4th year both from the University of Southern Mindanao won the most coveted titles respectively. Niño A. Comcom, BSED MAPEH 3rd year and Christy V. Magbanua, BSED MAPEH 3rd year from the Cotabato Foundation College of Science and Technology, Arakan won first runners-up. Justine Paul M. Gattoc, BSED MAPEH 4th year and April Jean Amour P. Antiquesa, BSED MAPEH 4th year from the Notre Dame of Midsayap College won second runners-up.

“Preparations for this event might be so exhausting. But, seeing my co-major students reconcile and make our purpose even more possible made me realize how awesome it is to be a MAPEH major.” says the outgoing JPIPE President, Jessiel T. Borbon.
